My dear Mrs. Manley,

Well the curtain will soon rise on another Negro National League baseball season and I trust that it will be a most successful one for your Newark Eagle ball club.

Will await publicity on your opening on Sunday May 5th with the New York Black Yankees at the Ruppert Stadium.

Will you as in the past please be kind enough as to grant my brother Emerson, my father William & myself (Jocko) season passes to see the Eagles' home games...Thanks a million.

Forward the same direct to my home address below:

I'll close at your service,

Most sincerely,
